MISSION

Our mission and core values are integrated in what we strive to achieve as the Infinite way.

OUR PEOPLE

- To create a positive environment where every employee can fully live out Gods plan for his career,
- To assist with the development of every individual in their specific position and as person to live a purpose driven live,
- To adhere and live out the interpersonal principals and guidelines mentioned in the Bible to the best of our ability,
- Always remember that compassion

NATURE & OUR ENVIRONMENT

- Everything around us has been created by our Creator, exactly as intended, thus we are meagrely steward of our environment.
- All our business activities should be conducted in such a way as not to disturb the natural harmony that He has created in nature and the environment, if anything is disturbed whiles conducting our business, it will be rehabilitated to its original form as far as humanly possible.

CUSTOMERS, SUPPLIERS & COMPETITION

- Anyone can be a messenger or blessing sent by God; thus, we should handle everyone with respect, honesty, importance and love.
- Live each day to the fullest and make the best use of each, opportunity. (Make every day your signature day!)
- Always preach the word of God and then when you must - use words.
- We will supply an excellent and purpose driven service that surpasses each customer's requirement.

To glorify God by being a faithful steward of all that is entrusted to us and to have a positive influence on all who come in contact with Natural Diversity Pty Ltd.

CORE VALUES

INTEGRITY

Success will come and go, but integrity is forever. Integrity means doing the right thing at all times and in all circumstances, whether or not anyone is watching. It takes having the courage to do the right thing, no matter what the consequences will be. Building a reputation of integrity takes years, but it takes only a second to lose, so never allow yourself to ever do anything that would damage your or the companies' integrity.

INNOVATION

The process of translating an idea or invention into a service that creates value or for which customers will pay. It must be replicable at an economical cost and must satisfy a specific need. It involves deliberate application of information, imagination and initiative in deriving greater or different values from resources and includes all processes by which new ideas are generated and converted into useful products. Natural Diversity strives to be innovative!

INTEGRATION

The process of attaining close and seamless coordination between several departments, groups, organizations, systems, etc. and the bringing of people from different racial or ethnic groups into unrestricted and equal association, in society and our organization; desegregation.

■ BLACK ECONOMIC EMPOWERMENT

Infinite Transport is a 51% black owned company. We have BBBEE policies and various initiatives to constantly improve our BBBEE spend and development.

Adopting an attitude to serve others around you weather it's your fellow employee, customer or someone you have never met, through all you do, will definitely change/define you as person.

Natural Diversity is involved in various community projects over many years, even before the BBBEE model indicated it as a requirement for businesses in South Africa.

Some of these projects ranged from financial, physical and moral assistance to old age homes, orphanages or/and individuals. As long as it is possible our business model will include the assistance to others in need whether it is direct or indirect.

Some of the latest project we are involved with can be viewed on our website (currently under construction) - You can contact us should you require more information regarding these projects, would like to get involved in some way or know of somebody / institution who desperately need some sort of assistance.
